EASTER SUNDAY A

LET US TELL OUR STORY OF EASTER!

The Easter Story is the most wonderful story ever told. And it happens to be true.

Think about how fast good news spreads.

- If I really believe that Jesus died for me and for each person, don't I want to tell others?
- If I really believe that Jesus rose from the dead on Easter, don't I want to tell others?
- If I really believe that Jesus is alive, and that he wants to fill our lives with healing and freedom and joy, don't I want to tell others?

Christianity spread because Christians told their story. In our own time, people will come to find their joy in Christ if we tell our own story about finding that joy.

And today we're going to receive the Body and Blood of Christ.

- He wants to be our strength and our joy.
- Let's take a minute or two after communion to ask him: "What is my story?"
- And then let's remember one moment when I realized that my life was different because I know Jesus Christ. Can I share that with someone else?

Someone else is waiting to hear that story. Someone else is waiting to experience the joy of Easter. (E -Priest.com)
